About TET-SAT

Online self-assessment tool that:

- triggers teachers to self-reflect on their technology- enhanced teaching
- provides feedback that helps teachers to have a clearer idea about their competences in technology-enhanced teaching (strengths & weaknesses)
- provides access to training resources according to the 4 areas
- supports teachers in their professional development

The way ahead after using TET-SAT

- TET-SAT helps teachers to identify one area to focus on to improve
- After completing TET-SAT, teachers set their personal goals, based on their personal interests
- Teachers carried out different activities, e.g.:
 - School action plan
 - Learning Diary
- After some time, teachers assess themselves again with TET-SAT
