This project has been funded with support from the European Commission.

TASK: 5500 primary school teachers to strengthen their digital competence by... September 2020

ACTIONS TO BE TAKEN:

- National PD programme for primary school teachers prepared
- Pool of course moderators trained and capable to reach every region
- Online course consisting of 4-6 modules (e.g., digital citizenship, digital pedagogy, virtual communication, digital technology, etc.)
- TET-SAT tool adapted allowing primary school teachers self-assess their competences
- Teachers may select course modules according to their needs
