“My social professional development” using social media platforms

Author	Maria Paola Biondi – Italy
Title	“My social professional development” using social media platforms like Facebook, Pinterest, Twitter, ect.
TET-SAT Area	Digital Communication and Collaboration
Number and name of the illustrated competence	Question 22. Engaging in online opportunities for professional development; e.g. MOOCs, webinars, blended learning courses, professional communities) to develop my digital skills or pedagogical ICT skills
Estimated level for this competence	Capable
Learning outcome(s) associated with it	Developing digital skills and pedagogical ICT skills
Type or name of ICT used	Facebook, Pinterest, Twitter, eTwinning
What you do that meet this level	<p>I usually use social media like Facebook to keep me updated on the latest IT educational tools developments or on the ITC pedagogical aspects. I am enrolled in a lot of digital teacher groups on Facebook and I follow several Facebook pages created specifically for education with ITC. In this way I am constantly informed about news Moocs or webinars.</p> <p>I have some boards on Pinterest and follows a lot of specific boards, too. Every day I look at the Pinterest home page and I search some pin that interested me.</p>
Draft actions to move to the next level	I would like to contribute more actively to a community for teachers and integrate what I learn in my teaching for example collaborating in an online eTwinning project with my students.
