<b>Title</b>	Using Edmodo, TwinSpace and Moodle for collaborative activities
<b>TET-SAT Area</b>	<b>Digital Communication and Collaboration</b>
<b>Number and name of the illustrated competence</b>	<b>Question 23.</b> Using ICT for team work, for collaborative processes and for the common creation of resources, knowledge and contents
<b>Estimated level for this competence</b>	<b>Capable</b>
<b>Learning outcome(s) associated with it</b>	I used Moodle for creating a resource in which students can collaborate and make comments to other's work and can also get badges for their completed works; it was so motivating. Students were studying with their peers and also evaluating others' work.
<b>Type or name of ICT used</b>	Moodle, Edmodo, TwinSpace
<b>What you do that meet this level</b>	<p>I used Edmodo and TwinSpace in a synchronous way. It gave students an opportunity to get messages and comments from other students. They also shared their works and got others opinions.</p> <p>In the project, I prepared Moodle lessons on Girls in ICT. Students could attend the course get the Moodles and when they all have finished they got badges.</p>
