Using Quizlet and Kahoot to present and test vocabulary

Author	Jasmina Kene- Slovenia
Title	Using Quizlet to present new vocabulary or Kahoot! to assess pupils basic knowledge
TET-SAT Area	Digital Pedagogy
Number and name of the illustrated competence	Question 10 Teachers' competence to use and adapt ICT-based assessment tools to support different types of assessment (formative, summative)
Estimated level for this competence	Capable
Learning outcome(s) associated with it	Start-up-motivation Quick check over pupils basic vocabulary with collaborative learning and by using ICT tools
Type or name of ICT used	Quizlet Kahoot!
What you do that meet this level	I use the Kahoot! app at the end of my German lesson (as 2nd foreign language) to assess, if my pupils have learned, what todays objectives were. Using tablets pupils compete with one another playing a quiz with 5-6 multiple choice questions about the topic of today's lesson. The teacher gets results of all pupils, both the correct and false answers of each one.
