

Inspiring Teaching practice example

Students to prepare a presentation and evaluate their own work

Author	Daniela D'Arrigo, Italy
Title	Students to prepare a presentation and evaluate their own work
TET-SAT Area	Digital Pedagogy
Number and name of the illustrated competence	Question 6. Knowledge of instructing students to conduct self- and peer assessment of their work with the support of ICT
Estimated level for this competence	Capable
Learning outcome(s) associated with it	How to work in a group, how to find reliable information, how to find legal pictures, how to make a good presentation
Type or name of ICT used	Prezi, google tools
What you do that meet this level	My students use google tools/prezi to make presentation about a Mechanics topic. Then, they present it to whole class. They make self-assessments, evaluate their groups work and also peer-evaluate other group's presentation.
