

Inspiring Teaching practice example

Curricular Video Creators and Evaluators following Rules

Author	Guillermo Medrano - Spain
Title	Curricular Video Creators and Evaluators following Rules
TET-SAT Area	Digital Content Use and Production
Number and name of the illustrated competence	Question 15. Teachers' capacity to integrate ICT-based productivity tools for the creation of content
Estimated level for this competence	Proficient
Learning outcome(s) associated with it	<ul style="list-style-type: none"> • Raise awareness about the risks of the internet • Good practice and netiquette • Realize how important dissemination via the internet is • Creation of video content • Learn about Creative Commons Licences
Type or name of ICT used	Different Video Editors and Google Docs for Assessment
What you do that meet this level	The Students create curricular material for ICT subject, and they know about licensing, dissemination, netiquette, and also about the topic of Cyberbullying. With that knowledge, and with a rubric to follow, they have to be able to assess their classmates' assignments (Video about Cyberbullying) following the criteria written in the Rubric. The teacher will check if their marks are logical
