

Inspiring Teaching practice example

Working with Moviesegments

Author	Alicia Pérez - Spain
Title	Working with Moviesegments
TET-SAT Area	Digital Content Use and Production
Number and name of the illustrated competence	Question 14. Selection, use and adaption of digital resources
Estimated level for this competence	Capable
Learning outcome(s) associated with it	Practicing some grammatical point (e.g. past simple / past continuous)
Type or name of ICT used	Moviesegments
What you do that meet this level	After explaining the difference between the tenses past simple and continuous and doing some exercises on this topic, we practice with a small video in Moviesegments. Students watch a clip of a video and they have to answer some questions based on it.
Draft actions to move to the next level	I should try to choose a video and create my own activity
